

How to Draw a Tryzub Symbol of Ukraine Trident Step-by-Step on pysanky Ukrainian Easter Eggs

Glory to Ukraine

Слава Україні / Slava Ukraini

Discover the Magic of Pysanky - the great gift of HOPE

Everything you need to make beautiful pysanky the traditional way

[wikipedia](https://en.wikipedia.org/wiki/Trident) states that the Ukrainian coat of arms – trident, or tryzub – has a long history (over a thousand years, if not more), but at the same time, it is a symbol of a modern country. It is short-spoken – and meaningful as well. It reflects heroic events of the past – and it is a stripe of Ukrainian warriors protecting the sovereignty and territorial integrity of Ukraine today.
